

Shaping properties

The Body with its open bust offers strong shaping properties, slimming your tummy, waist and thighs.

Its light, strong and airy fabrics make this breathable Body ultra-smooth underneath clothing, giving a lift to the breasts by means of a special cut around the wings.

A clean cut ensures exceptional comfort for your legs and preventing pinching and bulging. Wear it with your favourite bra, thanks to the open bust design. The soft cotton gusset has a double-row of buckle hooks to ensure ease of wear.

Shaping properties

The model perfectly combines strong shaping features and a flirty, feminine design. It smoothes your tummy and slims your waist and back, creating an incredible silhouette. The bottom part of the garment consists of modern and sensual lace in a wavy design. Thanks to its open bust cut, which gives a lift with a push up effect to the breasts, it allows you to wear your favourite bra styles.

Very soft, thin and airy fabrics give you a feeling of a second skin. The model is breathable and ultra-smooth underneath clothing, whilst seamless finishing around the edges ensures perfect wearing comfort. The back side of the garment provides correct support for posture and helps to resculpture and control the body.
